

Statement of Intent

Too often in the past, generous gifts entrusted to Greater Worcester Community Foundation have gone unrecognized because they came at the end of the donor's life.

The Acorn Society provides a way to recognize and honor those individuals who plan to benefit the community foundation in the future. Donors who understand the importance of a permanent community endowment have trusted GWCF since 1975 to carefully manage and distribute their charitable funds. We hope you join this tradition of extraordinary generosity by adding your legacy to those of others.

Please complete this statement of intent to join our Acorn Society. This statement is non-binding.
