

**Wachusett-Worcester Love Your Neighbor Award**  
Greater Worcester Community Foundation

This award was created in 2015 by a Holden family that is inspired by people who help others. The *Love Your Neighbor* ethic, as they call it, is the frequent practice of giving and serving, in any way needed, to benefit others. This service is performed without thought to oneself, but as a manifestation of one's

giving nature.

The Love Your Neighbor Award is given to students from the Wachusett-area towns and the City of Worcester who have served their communities consistently and inspired others with their actions. Former scholarship recipients themselves, the donors hope this award will provide college students with both assistance and encouragement through the recognition that their service does make a difference.
